REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Among the IDS references submitted in the RCE filed 14 October 2004, only Wang et al., US Patent Number 6,756,633 is within the scope of applicants claims, however, Wang et al. claims the benefit of U.S. Provisional Application No. 60/343,634, filed Dec. 27, 2001, which is after applicants filing date of 17 October 2001, and is therefore not valid prior art. An updated prior art search was performed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
